This system enables you to support the church by establishing a recurring contribution or making a one-time contribution. There will also be opportunities to support special events such as youth ministry activities.

Online giving using the *electronic check option* is ideal for several reasons.

- It's secure
- It's convenient and enables you to give around your pay schedule
- It can be recurring - this is especially helpful when you're on vacation, if you travel frequently or miss church because of an illness
- Your giving records are readily available to you

3 SIMPLE STEPS

1. Create a user name
2. Provide contact and bank information
3. Indicate the amount, frequency (one-time or recurring) and designation for your gift
